Or visit us on-line at: **allbritecleaning.com**

- 1** Check those batteries! Make sure there is a working smoke detector in every bedroom, and on every level of the house (even the basement!)
- 2** Have a family action plan in case of a fire with a meeting spot clearly in place!
- 3** Matches, lighters and other firestarters are stored out of reach of children.
- 4** Working carbon monoxide alarms are installed on each level of the house.
- 5** Flammable liquids like gasoline, oils, propane, lacquers and paints are sealed tightly in appropriate containers.
- 6** Dryers, dryer ducts, furnaces, boilers, hot water heaters, woodstoves and chimneys are all clean and in good working order.
- 7** Emergency phone numbers and medical information are posted clearly and stored near a telephone in the home.
